Grace Bible Fellowship – Bible Conference

About our Speaker, Joel Finck

Joel and Linda (Stibral) Finck were both born and raised on farms in Southeast South Dakota. Both grew up in Christian homes and trusted Christ at an early age. They met while in their teens and married in 1978. Joel attended Montana Institute of the Bible, then located in Lewistown, MT, for one year. He then transferred to Sacramento Bible Institute in Carmichael, CA and graduated after finishing three more years of schooling. Linda attended Grace College of the Bible in Omaha, NE for one year. While ministering at his first church in Worthing, SD, Joel and Linda were introduced to the Word, rightly divided and the distinctive Pauline revelation. After critically examining this approach to Scripture for several months, they wholeheartedly embraced the Grace Message. Joel has served churches in Colorado, Wisconsin, and now in South Dakota. In 1997 Joel authored his first book, THE MYSTERY which has become widely used in the Grace Movement in both the United States, and on many mission fields around the world. Since then, he has written some 40 Bible study books, booklets, and commentaries.

Joel and Linda have six adult children, four of them now married. They have 13 grandchildren (and one on the way - there always seems to be "one on the way" these days!). All of their children and grandchildren currently live in the area and attend and minister together at the Grace Bible Church in Tabor, SD. Joel and Linda's son-in-law, Peter Fries, serves as Associate Minister with Joel at the church, giving Joel freedom to do Bible Conference speaking.
